

## Youth with Promise in Transition Discussion List

### **What is it?**

It is a discussion list (email group) where information is posted.

### **What is sent?**

We look at transition to adulthood as holistically and inclusively as possible – so information about jobs, post-secondary education, scholarships, housing, transportation, leadership training/opportunities, and healthy living can all be posted here. This list is for youth with barriers specifically, so if you see an opportunity that is specific to a minority group, foster youth, homeless youth, youth with disabilities, and/or an opportunity that applies to everyone, please post it here. We also like information that is applicable to the local area as well as statewide.
