

The Alaska Chapter of the Industrial Relations Research Association

IRRA Membership Application

IRRA provides opportunity for professionals from industrial relations and human resources to share ideas and learn about new developments in the field. It promotes education and provides a forum for exchange of ideas on employment issues. IRRA meets at noon on the fourth Wednesday of each month and conducts short business meetings, followed by topical presentations. Meeting locations vary, so please keep your mailing addresses and email updated so we can notify you of changes.

Dues are \$50 per year for individuals, \$100 per year for Contributing Members and Organizational Sponsors. Institutions and Libraries join for \$50 per year.

Please send your completed application, along with the appropriate dues amount, to the chapter's address below. You can also drop off the application and payment at any monthly IRRA meeting.
