AKOSH Program Directive 07-01

Date: August 10, 2006
To: Distribution List
From: Grey R. Mitchell, Director
Subject: State Initiated Change:
Reorganization of Alaska Occupational Safety and Health

This Program Directive, PD 07-01, is formal notice that Alaska Department of Labor & Workforce Development, Division of Labor Standards & Safety has reorganized the operational structure of Alaska Occupational Safety and Health (AKOSH).

The change adds a compliance assistance specialist position to the compliance assistance section of AKOSH. The PCN number for the position is 07-2073. The current incumbent is Earl Metier, who formerly occupied PCN 07-2045 as an Industrial Hygienist in the consultation and training section.

This change was initiated for two basic purposes.

1. The position will coordinate and perform training, attend conferences and meetings, assist with the Voluntary Protection Program site evaluations, provide technical support on regulation issues and interpretations, and assist with the Governor's Safety Conference.
2. In addition, the position may provide off-site assistance to cited employers (post final order and before final abatement) with regard to hazard abatement solutions and training assistance. This position may also assist the Chief of Enforcement (compliance) with developing alternative penalty settlement plans to promote compliance assistance. This position will enhance the public's knowledge of AKOSH.

This change in structure became effective June 16, 2006. Please ensure that all members of your staff receive a copy of this program directive.
