Youth Jobs Workshop

JUNEAU- The Alaska Department of Labor and Workforce Development today announced a free Youth Jobs Workshop to be held at the Juneau Job Center on Thursday, June 16, 2005, from 10:00 a.m. to noon. The workshop is designed to aid the young or first time job seeker in creating an effective resume, developing interview skills, and offers tips on successful attire and grooming. Similar workshops are available to young people as well as adults throughout the summer in other Job Centers across the state.

State Labor Commissioner Greg O'Claray said "Now that school is out for the summer, there are a lot of young and first time job seekers in the market. This is a perfect program for people just entering the workforce to improve their chances of getting a job. Not only do our Job Centers teach you how to successfully navigate the job interview process but we'll also line you up with interviews and assist you until you're working. The Alaska Department of Labor and Workforce Development is all about jobs. We're Alaska's hiring hall."

To locate or contact the Job Center nearest you and find out workshop times and dates, refer to the Job Center's web page at www.jobs.state.ak.us/offices or call the Juneau Job Center at 465 4562.
