AVTEC Offers Summer Distance Classes

JUNEAU, Alaska—The Alaska Vocational Technical Center is offering summer courses. All courses are distance delivered, except the Methods of Instruction class held at the AVTEC Connected Education Facility in Seward.

“AVTEC is a leader in using communication technology to reach Alaskans – no matter where they live – to provide job training or technical training,” AVTEC Director Fred Esposito said.

College credit through Alaska Pacific University is available for an additional fee collected on the first day of class. For more information and to register, visit www.avtec.edu/CEReg.htm for the online distance delivered Microsoft PowerPoint or Introduction to Moodle courses. For information and to register for Methods of Instruction course, visit www.avtec.edu/CTEdProgram.htm.

Credit: 100 level credit available through APU

In addition to the Connected Education distance delivery courses, AVTEC offers 16 long-term training programs ranging from six weeks to 11 months and roughly 60 short-term training programs that take a week to six weeks. Information is available www.avtec.edu, by clicking “Training Programs/Courses” or by calling 800-478-5389.

AVTEC’s main campus is in Seward. Classes for the school’s Allied Health program are held in Anchorage. Remote-site and distance-delivery classes in nearly all AVTEC’s training programs are available statewide.
