At-Sea Processors Job Fair Dec. 6 in Anchorage

JUNEAU, Alaska—The Alaska Department of Labor and Workforce Development will host the annual At-Sea Processors Association Job Fair from 10 a.m. to 2 p.m. on Thursday, Dec. 6, at the Anchorage Job Center Midtown, 3301 Eagle Street, Room 104.

American Seafoods Company, Trident Seafoods, Arctic Storm, Starbound LLC and Coastal Village companies will be on hand to conduct in-person interviews.

American Seafoods and Trident Seafoods will also hold a hiring event for seafood processors beginning at 8 a.m. on Friday, Dec. 7 at the Anchorage Midtown Job Center on Eagle Street.

To be eligible for an interview with Trident Seafoods, applicants must apply online prior to Dec. 6 at www.tridentseafoods.com. Click on "Join Our Team" at the top of the page.

Applicants will have the opportunity to interview in-person for jobs with seafood companies including processing pollock on at-sea ships. Successful applicants will be required to pass a pre-employment physical, drug screen and criminal background check.

At-sea processors harvest, process, freeze and store seafood products on board, including fillets, surimi, roe and fishmeal. Seafood processing work is physically demanding from 12 to 16 hours per day. Companies generally provide room, board and transportation upon completion of contract.

The department holds seafood orientation Monday through Friday at 10 a.m. at the Midtown Job Center.
