TO: Division of Employment and Training Services Staff

FROM: Paloma Harbour, Director *PHAA*

SUBJECT: Individual Funding Limits

This advisory is to provide Division of Employment and Training Services (DETS) staff with individual funding limits for various programs delivered through DETS during Program Year 2026/State Fiscal Year 2027, effective July 1, 2026, to ensure the effective and efficient use of limited training and support services funds.

The limits are based on Individual Employment Plans (IEP), for new enrollees. STEP funds may be used for both training and support services but cannot exceed the total in the table provided below. SAEF funds may only be used for support services in combination with a SAEF-funded training service.

The total funding for an IEP **may not exceed \$15,000** for all programs combined.

The program limits are as follows:

Program	Training Services	Support Services
WIOA Adult	\$12,500	\$7,500
WIOA Dislocated Worker	\$12,500	\$7,500
NDWG – Typhoon Halong	\$15,000	\$12,500
SAEF – State Apprenticeship Expansion Formula	\$5,000	
STEP – State Training and Employment Program	\$12,500	

Exceptions to this advisory must be approved by the DETS Director.

Any questions regarding this Workforce Advisory should be directed to James Harvey, DETS Deputy Director, (907) 465-4891.
