ELIGIBILITY

An eligible youth is defined as an individual who is age 14 through 24 and qualifies as an In School or Out of School Youth.

WIOA Title 1 allows a low-income exception where five percent of all WIOA youth participants may be participants who ordinarily would be required to be low-income for eligibility purposes and who meet all other eligibility criteria for WIOA youth except the low- income criteria. A program must calculate the five percent based on the percent of all youth served, statewide. A request to register a Youth Participant using the five percent exception must be approved by the WIOA Title 1 Youth Program Coordinator.
