No.: 68A

AMENDMENT TO ORDER AND DECISION NO. 68

This amends our Order and Decision No. 68, dated October 23, 1981, to conform to the decision of the Superior Court dated August 5, 1982, in Case No.: 3AN-81-8103 Civil, an appeal from our decision.

Our first finding of fact is denominated a conclusion of law and is amended as follows:

Because the contract does not prohibit the filing of a grievance on behalf of a class of similarly situated employees, and because the petitioner notified the respondent in writing well in advance of the arbitration hearing of the names of all members of the class, and because the members of the class were a small section of a single highway project, and because the grievance concerned only issues relating to travel pay and the claims of all members of the proposed class were essentially identical, and because the arbitrator apparently intended that his award apply to all members of the class, we find that

Grievance No. 79-242, filed on June 14, 1979, should be construed as a grievance on behalf of a class of similarly situated employees.

Our Order is amended to apply to all persons who were employed by the State of Alaska, Department of Transportation and Public Facilities in 1979 to work between the 40 and 25 mile points on the Richardson Highway and who are represented by the Public Employees Local No. 71, AFL-CIO.

DATED this 2 day of MARCH, 1983.
