RE: CHASE Blue Approval

Dear Mr. Loken,

I am pleased to approve Loken Construction LLC for the Alaska Occupational Safety and Health (AKOSH) Construction Health and Safety Excellence Program (CHASE). Loken Construction LLC has successfully worked with the Alaska Occupational Safety and Health (AKOSH) Consultation and Training section to improve occupational safety and health conditions for your employees. On October 25, 2024, the site was accepted into the Alaska Construction Health and Safety Excellence Program for five years. Our consultants conducted a comprehensive safety and health evaluation on September 18, 2024, and verified that the site meets the CHASE Blue eligibility criteria.

From the beginning, you have exhibited commitment and hard work toward worker safety. We congratulate you for the positive attitude related to safety and health exhibited by you and your employees. The CHASE Blue approval shows the strength of your commitment to a safe and healthy workplace, and your ongoing work to improve safety and health demonstrates this commitment. You are a role model for others. We encourage you to take the opportunity to share what you have learned with other employers to assist them in growing their safety culture as well. Participation in CHASE does not, of course, diminish any of the rights and responsibilities provided to you and your employees by the Occupational Safety and Health Act of 1970. Although your company will be placed on a lower priority general scheduled inspection list for enforcement from the date of this letter, employees' complaints, fatalities or catastrophes, and significant chemical leaks or spills at your site will result in normal AKOSH enforcement activities.

If you have questions or need assistance, Brad Buechner of the Anchorage OSH office is your contact person. He can be reached at (907) 269-4953. By March 1st of each year, please send him a copy of the log summary which includes injury and illness numbers and rates, the total hours worked, and the average annual employment. Also include documentation as set forth in the CHASE Partnership Program Manual section I.7 to:

Bradley Buechner  
CHASE Coordinator  
Alaska Department of Labor & Workforce Development  
Division of Labor Standards & Safety  
Occupational Safety and Health  
1251 Muldoon Road Suite 109  
Anchorage, AK 99504

Brad Buechner will work with your staff on specifics for the CHASE certificate delivery. Congratulations for your hard work and dedication to the principles embodied in CHASE. I wish you and your employees continued success in your safety and health efforts.

Sincerely,

A handwritten signature in blue ink that reads "Catherine Muñoz".

Catherine Muñoz  
Commissioner
