RE: CHASE Blue Renewal

Dear Mr. Vannoy,

I am pleased to approve Vannoy Electric's continued participation in the Construction Health and Safety Excellence Program (CHASE).

Vannoy Electric has been working with the AKOSH Consultation and Training section to improve occupational safety and health conditions for your employees over the past five (5) years. Our consultants have conducted comprehensive evaluations on your annual data and verified that your company continues to meet CHASE Blue eligibility criteria. From the beginning, you have exhibited commitment and hard work toward this goal and the recommendations our consultants made were received freely and implemented to the effect of enhancing your program. We congratulate you on the positive attitude related to safety and health exhibited by you and your employees.

If you have questions or need assistance, Bradley Buechner of the Anchorage OSH office is your contact person. He can be reached at (907) 269-4953 or Bradley.Buechner@alaska.gov. By March 1st of each year, please send him a copy of the OSHA 300 and 300A log summary which includes the injury and illness numbers and rates, the total hours worked, and the average annual employment. Also, include documentation as set forth in the CHASE Partnership Program Manual, section I.7.

Congratulations on your hard work and dedication to the principles embodied in CHASE. I wish you, and your employees, continued success in your safety and health efforts.

Sincerely,

Mitch Wallace
