Dear Robyn Dilorenzo,

I am pleased to approve Watterson Construction's renewal in the Construction Health and Safety Excellence Program as a Gold Level Participant (CHASE).

Watterson Construction has been working with our AKOSH Consultation and Training section to improve occupational safety and health conditions for your employees. Our consultants have conducted comprehensive evaluation on your annual data and verified that your company continues to meet the CHASE Gold eligibility criteria. We congratulate you for the positive attitude related to safety and health exhibited by you and your employees.

If you have questions or need assistance, Brad Buechner of the Anchorage OSH office is your contact person. He can be reached at (907) 269-4941 or Bradley.buechner@alaska.gov. By March 1st of each year, please send him a copy of the log summary which includes the injury and illness numbers and rates, the total hours worked, the average annual employment. Also include documentation as set forth in the CHASE Partnership Program Manual section I.7.

Congratulations for your hard work and dedication to the principles embodied in CHASE. I wish you and your employees continued success in your safety and health efforts.

Sincerely,
