APPLICATIONS

Those applying for testing: all documentation submitted as verification of your hours of experience must be on a State of Alaska Experience Verification Form and notarized, or company letterhead and notarized, or verified through an Alaska based union. We need: (1) a current application, (2) original verification of the appropriate number of hours for the license requested, and (3) the \$50 application/test fee. All three items must be submitted together BEFORE we will schedule a test date. You must turn in your application at least two weeks prior to the date you would like to test. Applications and experience verification forms must have original signatures. Copies, scans, or faxes will not be accepted.

Initial Trainee applicants: must have (1) a current completed application, (2) a current color photo (no smaller than 2 x 2 in size), (3) documented proof of indenture in an apprentice program accredited by the United States Department of Labor, Education & Training Administration, (4) a letter from your employer on company letterhead, and (5) a \$250.00 fee.

HOURLY REQUIREMENTS

Electrical Journeyman Certificate of Fitness

Requires a minimum of 8000 hours work experience subject to the National Electrical Code. A minimum of 6000 hours must be commercial/industrial. A maximum of 2000 hours may be residential. A maximum of 1000 hours of trade-related classroom training and/or 1000 hours of power lineman experience may be part of the 8000 hours requirement. No maintenance hours will be accepted.

Electrical Residential Certificate of Fitness

Requires a minimum of 4000 hours of work in the trade. Up to 500 hours of trade-related classroom training can be substituted for 500 hours of the 4000 hours requirement. This license allows the holder to act as a journeyman on residential sites only. The holder will be a trainee on commercial sites. No maintenance hours apply.

Lineman Journeyman Certificate of Fitness

Requires a minimum of 8000 hours work experience subject to the National Electrical Safety Code. Up to 1000 trade-related classroom hours and/or up to 1000 hours of experience as an electrician may be substituted to meet the work experience requirement.

Plumber Journeyman Certificate of Fitness

Requires 8000 hours of work in installation of commercial/residential plumbing. Up to 1000 hours of trade-related classroom training may be substituted for time in the field. No maintenance hours apply.

Plumber Gas Certificate of Fitness

Requires 4000 hours of work in the trade. A minimum of 2000 hours must be in the installation of fuel gas piping. May substitute 2000 hours of commercial/industrial plumbing installation. Up to 500 trade-related classroom hours may be substituted for the plumbing installation experience. No maintenance hours apply.

Plumber Utility Certificate of Fitness

Requires 1,000 hours of work in installation of water, sewer, or storm lines; may substitute up to 125 trade-related classroom hours.

Boiler Operator Certificate of Fitness: 1st Class

Requires 12 months' experience with a 2nd class license or 24 months experience in boiler operation, maintenance, or repair of boilers having an equal or greater than 100,000 pounds of steam per hour or greater. Must pass test.

Boiler Operator Certificate of Fitness: 2nd Class

Requires 6 months' experience with boilers in the size range of 3,500 to 100,000 pounds of steam per hour or greater carrying a 3rd class license or 12 months experience in boiler operation, maintenance, or repair of boilers having an equal or greater than 100,000 pounds of steam per hour. Must pass test.

Boiler Operator Certificate of Fitness: 3rd Class

40 hours classroom training and three months experience in the operation, maintenance, or repair of boilers while holding a Boiler 4th class or six (6) months experience in the operation, maintenance, or repair of boilers. Must pass test.

Boiler Operator Certificate of Fitness: 4th Class

No experience required. Must pass test.

EXAMS

Given by appointment only. Call the Mechanical Inspection office to schedule testing in Anchorage, Fairbanks or Juneau. Note: Contact the Anchorage office for information on testing in other selected Alaska communities. A government issued picture ID must be presented at the time of testing. There is a four (4) hour maximum time limit on all exams. A score of at least 70 percent is required for passing. If a passing score is not obtained you must wait 30 days from the date of your last exam before re-testing. Exams are graded in Anchorage. Please wait 5 - 7 working days before calling the office for results of exams taken in any city other than Anchorage.

FEES

The application/test fee is \$50.00. The licensing fee is \$200.00 for the 2-year certificate. Fees may be paid by cash, check, and money order, Visa, Mastercard, or American Express are accepted. Please make checks payable to the State of Alaska. **Do not mail cash. NSF check fee is \$25.00.**

RENEWALS

All journeyman electrical, plumbing, and lineman certificate of fitness renewals are \$200.00 per 2-year renewal. If the certificate has expired more than 90 days, but less than two years, you must pay a \$50.00 application fee plus the prorated amount of time remaining until expiration. If your license has expired more than 2 years, it may not be renewed, and you are required to re-apply and re-test. You must also send a current passport size (2"x 2") photo, a digital photo is acceptable.

A trainee certificate of fitness renewal requires \$200.00 per 2-year renewal and an original letter from the employer on company letterhead or an original notarized statement, stating that the employee "continues to be indentured in a registered apprenticeship program and will be working under the direct supervision of an Alaska certified journeyman at all times." You must also send a current passport size (2 x 2) photo, a digital photo is acceptable.

CONTINUING EDUCATION REQUIREMENTS

Electrical Journeyman: All Electrical Journeymen are required to obtain at least 16 hours of continuing education; a minimum of 8 CEU hours must include significant changes or updates to the NEC.

Plumber Journeyman: All Plumber Journeyman are required to obtain at least 16 hours of continuing education; a minimum of 8 CEU hours must include significant changes or updates to the UPC.

Training must be within the 24-month period preceding the date of request for renewal. Proof of completion for the 16 hours training must accompany your renewal request for your Certificate of Fitness. Your renewal application cannot be processed without proof of completion.
