Re: Errata to *Laborers' & Mechanics' Minimum Rates of Pay*
Issue 5

An update was made in the *Laborers' and Mechanics' Minimum Rates of Pay* booklet which you recently received. The effective date of this errata is as of September 27, 2002.

The basic hourly rate for roofers and waterproofers will be reduced by \$1.17 and the health and welfare rate will be increased by \$1.17.

This will apply to all contracts let from October 7, 2002 forward.

The changes only reflect pages 12 and 13, listed as Roofers Region I and Roofers Region II and are enclosed. Please remove these pages from your booklet, and replace them with the enclosed sheets. Thank you.

We apologize for any inconvenience this may have caused. Questions or concerns may be directed to Cindy Dayton, Statistical Technician, Department of Labor and Workforce Development, at (907) 465-1154.
