To: Distribution List  
From: Richard A. Mastriano, Director  
Subject: **CPL 00-1 Revisions to the Voluntary Protection Programs to Provide Safe and Healthful Working Conditions**

This Program Directive, PD 01-03, adopts by reference and will implement instruction CPL-00-1, *Revisions to the Voluntary Protection Programs to Provide Safe and Healthful Working Conditions; Notice of revisions to the program*. This provides revisions to the Voluntary Protection Programs (VPP) adopted by OSHA in Federal Register Notice 47 FR 29025, July 2, 1982. The purpose of this instruction is to provide new criteria intended to make the VPP more challenging and to raise the level of safety and health achievement expected of participants. The criteria also have been rewritten to make the more easily understood and to bring the VPP basic program elements into conformity with OSHA's Safety and Health Program Management Guidelines.

This program directive became effective January 1, 2001. Please ensure that all members of your staff receive CPL 00-1, this program directive, and understand how to implement it.
