**AKOSH Program Directive 06-06**

Date: February 14, 2006

To: Distribution List

From: Grey R. Mitchell, Director

Subject: **Reorganization of Alaska Occupational Safety and Health**

This Program Directive, PD 06-06, is formal notice that Alaska Department of Labor & Workforce Development, Division of Labor Standards & Safety has reorganized the management structure of Alaska Occupational Safety and Health (AKOSH).

This update and review reclassified the Administrative Assistant (PCN 07-2016) to a Regulations Specialist II level position, effective November 1, 2005. Lillian Prevette is the incumbent in this position. This change was initiated

1. because, the Administrative Assistant position had not had a review or update of duties since 1994, and Alaska personnel rules require position descriptions to be reviewed approximately every two years or whenever there is recruitment for that position.
2. To allow for assignment of more division –wide regulation responsibilities

This change in management structure became effective November 1, 2005. Please ensure that all members of your staff receive a copy of this program directive.
