

ALASKA DEPARTMENT OF LABOR
DIVISION OF OCCUPATIONAL SAFETY AND HEALTH

DOSH Program Directive No. 76-1

July 13, 1976

To: All DOSH personnel

Subject: Initiation of DOSH Program Directives

1. Purpose: This Program Directive initiates the implementation of a series of directives from the Director of Occupational Safety and Health on matters of policy and/or procedures to be followed by DOSH personnel.
2. Directives Affected: None
3. Background: There is a demonstrated need for the initiation of a series of written directives to inform DOSH personnel on matters of policy and/or procedures.
4. Procedures: Program Directives will be numbered by year and issue sequence. All directives will be initiated from the Director's office in Juneau, signed by the Director and approved by the Commissioner. Copies of the directives will be filed and maintained in DOSH offices and retained by all affected DOSH personnel. All directives will be kept until modified or superseded.
5. Action: This directive is effective immediately.
6. Filing: This directive will remain in effect until modified or superseded.
