

ALASKA DEPARTMENT OF LABOR  
DIVISION OF LABOR STANDARDS AND SAFETY

DOSH Program Directive 86-10, CH-2

August 25, 1988

To: All OSH Staff

Subject: OSHA Exemptions and Limitations

1. Purpose: This program directive updates the industries that are exempted as a result of their lost workday injury rate being below the national average.
2. Directives Affected: DOSH Program Directive 86-10.
3. Background: Federal OSHA has updated the list of exempted industries to reflect the latest available Bureau of Labor Statistics occupational injury and illness lost workday rate.

Employers in these industries who employ 10 or less employees are exempted from general scheduled inspections. See pages 4-6 for DOSH PD 86-10 on procedures to be used when inspecting employees in these industries on non-programmed inspections.

4. Filing: Replace existing page 4 with attached page 4 (R 8/88) and existing Appendix A pages A-1 and A-2 with attached Appendix A pages A-1 and A-2 (R 8/88).
5. Effective date: This directive is effective immediately.
