AKOSH (Interim) Program Directive 95-12

Date: November, 1994
To: All AKOSH Staff
From: Donald G. Study, CSP, Director
Subject: CPL 2.35 CH-25, Changes to the Regulatory and General Industry Standard Alleged Violation Elements (SAVEs) Manual

This interim program directive, PD 95-12, will implement OSHA Instruction CPL 2.35 CH-25, *Changes to the Regulatory and General Industry Standard Alleged Violation Elements (SAVEs) Manual upon the effective date of the repeal of AKOSH safety standards and adoption of the federal code of federal regulations.* Please establish a *Regulatory and General Industry Standard Alleged Violation Elements (SAVEs) Manual* if you do not have one, and insert this change. CPL 2.35 CH-25 is attached and is part of this program directive. Please refer to it for complete information.

This interim program directive is being issued in order to comply with federal mandates that we indicate AKOSH's intention regarding this instruction, and to ensure that the instruction is logged and all staff are aware of the upcoming change. AKOSH will develop and distribute other existing sections for the Regulatory and General Industry SAVEs Manual as part of the current project to repeal state regulations and adopt federal safety standards.
