JUNEAU, Alaska—The annual Governor's Safety & Health Conference will be March 19-21 at the Egan Civic and Convention Center in Anchorage. The conference, "Injury Prevention In Alaska – No One Left Behind," is open to employers, employees, safety and health professionals and the general public.

Certifications to meet the Occupational Safety and Health Administration's 10-hour construction training and 10-hour general industry training are included in the list of course offerings. There will also be a workshop for Electrical Arc Flash.

One highlight of the conference is recognition of Alaska businesses that exemplify good corporate citizenship and a commitment to worker health and safety. Awards will be given in three categories:
