**Safety Training to be Held in Anchorage**  
*Ten-hour Construction course for employers and employees*

ANCHORAGE, Alaska — The Alaska Occupational Safety and Health consultation and training section, along with the Associated General Contractors of Alaska safety committee, will sponsor an Occupational Safety and Health Administration (OSHA) 10-Hour Construction course in Anchorage on April 17 and 18. This awareness and refresher training is for employees and employers on the recognition, avoidance, abatement, and prevention of safety and health hazards specific to the construction industry. Subject matter experts will train on various construction topics. Upon successful completion, students will be mailed their OSHA 10-hour cards.

Course topics will include:

- Mandatory OSHA Introduction
- Mandatory Focus Four
  - Fall Protection
  - Electrical Safety
  - Caught-in or -between
  - Struck-by
- Scaffolding
- Hazard Communication
- Silica Requirements
- Personal Protective Equipment
- Trenching and Excavation
- Safety Leadership

**Location:** Associated General Contractors of Alaska, 8005 Schoon Street, Anchorage, AK 99518

**Dates:** April 17 and 18

**Times:** 8:30 a.m. to 3:30 p.m. Attendance both days required to receive OSHA 10-hour card.

**Cost:** \$8.00 – cash only

Space is limited and participants are required to register by calling 907-269-4951. For questions about this training, please email [Elaine.Banda@alaska.gov](mailto:Elaine.Banda@alaska.gov).
